

Riviera on Vaal Hotel & Country Club joined forces against the cold with River Square Shopping Centre recently. The Hotel's marketing team was at the shopping centre to ask patrons of the Centre for a contribution towards the Blanket Project which aims to gather as many blankets as possible for the poor and less fortunate. The morning's activities proved to be very successful and the public of Three Rivers, Vereeniging opened their hearts to this worthy cause. Featured here is Zadia Venter from MV Communications, the Public Relations and Marketing Agency representing the Riviera on Vaal Hotel & Country Club.
