Zorgvliet Portfolio wins Silver at Indaba Tourism Expo

The Zorgvliet Portfolio was awarded a Silver Award for stand excellence at the Indaba Travel Show held in Durban recently. Indaba 2009 was held from 9 to 12 May in the Albert Luthuli ICC in Durban. It is seen as Africa's Top Travel Show and annually attracts hundreds of exhibitors and thousands of visitors.

According to Kagiso Exhibitions, organisers of Indaba 2009, true stand excellence can be found in the design of the stand, layout and practicality. Teamwork among the staff manning the stand also plays an important role.

Trilok Bhunjun, General Manager of Riviera on Vaal Hotel & Country Club, which forms part of the Zorgvliet Portfolio and was represented on the stand, says they are

very proud of their team and will certainly be back in Durban for Indaba 2010. Also represented on the stand was Riviera on Vaal Properties, sister company of Riviera on Vaal Hotel & Country Club, specializing in, among other, vacation properties as well as Zorgvliet Private Residence Club, Zorgvliet Wines and Zorgvliet Vineyard Lodge & Spa.

Main Lodge at Ka'Ingo and Dinkweng Safari Camp at Ka'Ingo, both part of a private game reserve in the Waterberg area were also exhibiting to potential clients at the exhibition.
